RE: CONDUCT OF OFFICER  
LT. Holland

On March 10, 2005, Lt. Holland took me in a office because a profile the nurse had transfered from Bollock Correctional Facility to a Ventress Orofile back. She further stated, "if you ever be told to leave this kitchen again and don'T leave you are going to get some action." I responded, "some action!" Lt. Holland, said--yes some action, if you be told to leave this kitchen and don't leave, you can get ready for some action. She gave me the profile back and I return to the dorm I was housed in.

This is to be filed with said people for notice, I've been threaten by Lt. Holland and she impeded into inmate Wright medical/health care.

DONE THIS THE 9th, day of April, 2005.

RESPECTFULLY SUBMITTED,

  
RICHARD WAYNE WRIGHT, SR. # 187140
